- The Haverford Township website has been updated to provide the most recent information and links for Covid -19 testing and immunizations locations. The site will continue to be updated along with the information being placed on social media. Discussion ensued.
- Calls have been coming in concerning registering for the Phase 1A and 1B vaccine distribution. Those residents have been provided links and/or phone numbers to complete their vaccine interest form. There is a lack of information to answer all their questions at this time, but we continue to be advised as the County and/or State put out news releases. <https://chesco.org/4822/COVID19Vaccine>
- Delaware County had announced their will be three large distribution areas, located in the eastern, central, and western parts of the County. The eastern location will be in Yeadon. They have not announced specifics on the other two locations. They will also network with private stakeholders which includes private healthcare providers, pharmacies, clinics, hospitals, community service organizations, and mass vaccination events. Discussion ensued.
- The Delaware County Health Department Steering Committee will be accepting applications for their Board of Health until January 29, 2021. <https://www.delcopa.gov/clerk/boardpositions/DelawareCountyBoardOfHealth.html>
A time-line is set for having a Public Health Department up and running in January 2022. Currently they are meeting elected officials, faith-based groups, and other community groups in the County to assess the needs they feel are important.
- Governor Wolf's most recent Covid mitigation restrictions including the additional restrictions for Delaware County have been lifted. The indoor dining is permitted to return to 50% occupancy. Gyms and indoor sporting events may resume. All will still require masking and social distancing.
- Dr. Amanda Jones, PsyD will be joining the Health Advisory Board. She will be filling the spot vacated by Susan Barb.

Meeting was adjourned at 7:25pm
