ABOUT US

The Haverford Skatium has been the premier winter sports facility in Delaware County, PA since it opened its doors in 1974. Proudly serving Haverford Township, the rink offers the best NHL regulation sized rink and ice surface with year round ice hockey, figure skating, camps, clinics skating lessons, public skating, and special events. In addition to our ice surface, the rink features our restaurant Have-A-Burger and the Hockeytown Pro Shop. Both are privately owned and operated and are valuable parts of the facility.

Your business or organization can enjoy your advertisements being seen by over 100,000 visitors annually who frequent the rink to watch and participate in sporting events, public skating, hockey leagues, skating lessons, figure skating exhibitions and many more events. Unlike the conventional billboard style ad your ad will be viewed constantly for an events duration (regularly one hour or more).
