1. Since the termination of Federal Revenue Sharing (FRS), there exists no legal requirement to hold a public hearing once all FRS funds have been spent. As a matter of public policy, it is strongly recommended that such a hearing be advertised and held, either on the date the tentative budget is approved to be advertised, or at any other meeting prior to final adoption.
2. Until all remaining FRS funds have been expended, the requirements for public notice and public hearing remain in effect: At least ten days prior to the budget hearing, the local government must publish, in at least one newspaper of general circulation in the local government's geographic area, a notice of the hearing. The notice must include (a) date, time and place of hearing, (b) right of citizens attending the hearing to provide written or oral or both comments or questions or both regarding the entire budget and the relationship of revenue sharing to the entire budget, (c) the local government's proposed use of its revenue sharing funds in context with the entire budget, (d) a summary of the local government's entire proposed budget, (e) location where and time when the above information with a copy of the entire proposed budget is available for public inspection. A reasonable effort must be made to have senior citizens and their groups participate in the hearings.
3. Prior to enactment of the budget, the legislative body, or the appropriate committee thereof, conducts the budget hearing.
4. Within thirty days of adoption of the budget, a summary of the adopted budget showing the intended use of revenue sharing funds must be available for public inspection and notice of its availability must be published in a newspaper of general circulation in the local government's geographical area.

B. CITIES OF THE THIRD CLASS

1. In commission cities, each department is required to submit to the council sometime before the last stated meeting in November an estimate of probable receipts and expenditures and the amount each department says it requires for the ensuing year. Mayors and city managers in optional charter cities must require department heads to submit requests not later than the month of November.
2. Budget preparation: In commission cities - assigned to the Director of Accounts and Finance; In Mayor/Council Plan A optional charter cities - to the mayor with the assistance of the administrator, if any, or other officer designated by the Mayor; and in Council/Manager optional charter cities - to the manager.
3. The budget must be submitted to the Council for first reading at the last stated meeting in November.
4. After the proposed budget has passed first reading, the city clerk makes it available for public inspection, publishes a notice to that effect in at least one newspaper of general circulation stating the date fixed by council for adoption of the proposed budget ordinance, such date being at least twenty days after publication. The proposed budget ordinance must be available for public inspection for at least ten days after this notice.
5. On or before December 31, the council must finally adopt the budget.

C. BOROUGHES

The Bonds will mature in the years and principal amounts and bear interest at the rates set forth on the cover page of this Official Statement. The Bonds will be dated and will bear interest from April 1, 1994, payable semiannually on June 1 and December 1 of each year, commencing December 1, 1994. The Bonds will be issued as fully registered bonds in principal denominations of \$5,000 and integral multiples thereof.

The principal of the Bonds will be payable at the principal corporate trust office of CoreStates Bank, N.A., Philadelphia, Pennsylvania, as Paying Agent, to the registered owner of each Bond upon presentation thereof. Interest on the Bonds will be paid by check or draft of the Paying Agent mailed to the person in whose name such Bond is registered at the close of business on the fifteenth day of the month (whether or not a business day) next preceding each interest payment date (the "Regular Record Date"). Such check or draft shall be mailed to such person at his or her address as it appears on the registration books maintained on behalf of the Township (the "Bond Register"), irrespective of any transfer or exchange of such Bond subsequent to such Regular Record Date and prior to such interest payment date.

Any interest on any Bonds which is payable but is not punctually paid or provided for on any interest payment date shall cease to be payable to the registered owner on the relevant Regular Record Date, and such defaulted interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a special record date (the "Special Record Date") to be fixed by the Paying Agent, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Township shall cause notice of the proposed payment of such defaulted interest and the Special Record Date therefore to be mailed, first class

postage prepaid, by the Paying Agent to each registered owner at his or her address as it appears in the Bond Register not less than 10 days prior to such Special Record Date, and may, at its discretion, cause a similar notice to be published once in an authorized newspaper, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Security

General Obligations of the Township

The Bonds are general obligations of the Township, and the full faith, credit and taxing power of the Township are pledged for the punctual payment of the principal of and interest on the Bonds when due. The Bonds are payable from general revenues of the Township from whatever sources derived, including unlimited ad valorem taxes on taxable real property in the Township.

The Bonds are being issued pursuant to an ordinance adopted by the Board of Commissioners of the Township on April 11, 1994 (the "Ordinance"). In the Ordinance, the Township covenants that it will include the amount of the debt service to be paid on the Bonds for each fiscal year in which such sums are payable in its budget for that fiscal year, will appropriate such amounts to the payment on such debt service and will duly and punctually pay or cause to be paid the principal of every Bond and the interest thereon at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the Township has pledged its full faith, credit and taxing power. As provided in the Act, the foregoing covenant shall be specifically enforceable.

The Sinking Fund

A Sinking Fund, designated "Township of Haverford General Obligation Bonds, Series of 1994 Sinking Fund" (the "Sinking Fund"), shall be held by the Paying Agent segregated from all other funds of the Township. The Township shall deposit in the Sinking Fund no later than the date when principal of and/or interest on the Bonds is to become due, a sum so that on each such payment date the Sinking Fund will contain sufficient money to pay in full the principal of and/or interest on the Bonds then due.

The Paying Agent is authorized and directed in the Ordinance to pay from the Sinking Fund the principal of and interest on the Bonds when due.

Transfer and Exchange

The Bonds are transferrable and exchangeable for other authorized denominations by the registered owners thereof, subject to payment of any required tax or other governmental charge, upon presentation and surrender at the principal corporate trust office of the Paying Agent. The Paying Agent shall not be required to transfer or exchange any bonds during the 15 day period preceding the giving of a notice of redemption or to transfer or exchange any bond selected for redemption in whole or in part. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Township and the Paying Agent, duly executed by the bondholder or the bondholder's attorney duly authorized in writing.

Optional Redemption

Bonds maturing on or after December 1, 2001 are subject to redemption prior to maturity, at the option of the Township, on December 1, 2000, or any date thereafter, in whole or in part from time to time, in any order of maturity, and within a maturity by lot, upon payment of 100% of the principal amount thereof plus accrued interest to the date fixed for redemption.

Mandatory Redemption

The Bonds maturing on December 1, 2009, are subject to mandatory redemption in part, by lot, by operation of the Sinking Fund on December 1 of the years 2007 through 2008 at a redemption price equal to 100% of the principal amount thereof plus interest accrued to the redemption date in the following principal amounts:

<u>Year</u>	<u>Principal Amount</u>
2007	\$250,000
2008	270,000

Notice of Redemption

The Paying Agent shall give notice of any redemption by first class mail, postage prepaid, mailed not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds to be redeemed at his registered address as it appears in the Bond Register. Such Notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the principal corporate trust office of the Paying Agent and that interest will cease to accrue from the date of redemption. The Paying Agent may use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to registered owners of the Bonds, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers printed on the Bonds. Failure to mail any notice of redemption or any defect in the mailed notice or in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bonds.

With respect to any optional redemption of the Bonds, if the Township shall not have deposited with the Paying Agent money sufficient to redeem all the Bonds called for redemption at the time of mailing such notice of redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

LIMITATION OF BONDHOLDERS' REMEDIES

The rights and remedies of the holders of the Bonds are subject to the provisions of Chapter 9 of the Federal Bankruptcy Code (the "Bankruptcy Code"). In general, Chapter 9 permits, under prescribed circumstances, a political subdivision of a state to commence a voluntary bankruptcy proceeding and to file a plan for adjustment in the repayment of its debt, if such political subdivision is generally not paying its debts as they become due (unless such debts are the subject of a bona fide dispute) or is unable to pay its debts as they become due. Under the Bankruptcy Code, an involuntary petition cannot be filed against a political subdivision.

In order to proceed under Chapter 9, state law must have authorized the political subdivision to file a petition under the Bankruptcy Code. Pennsylvania's Financially Distressed Municipalities Act, Act No. 198747, effective September 9, 1987 ("Act 47"), establishes procedures and criteria for declaring a municipality to be financially distressed and for addressing such distressed condition, including authorizing municipalities to file a Chapter 9 petition under certain specified conditions.

The foregoing references to the Bankruptcy Code and Act 47 are informational only, and are not to be construed as any indication that the Township expects to resort to the provisions of Act 47 or of the Bankruptcy Code or that, if it did, any proposed plan would include a dilution of the sources of payment and security for the Bonds.

BORROWING POWER OF THE TOWNSHIP

The Township's borrowing limit is computed as a percentage of its "Borrowing Base". The "Borrowing Base" is calculated as the annual arithmetic average of the Township's total revenues for the three full fiscal years immediately preceding the date of the incurrence of new debt.

Calculation of Borrowing Base

Total Adjusted Revenues Fiscal Year Ending 12/31/93	\$11,073,497
Total Adjusted Revenues Fiscal Year Ending 12/31/92	10,708,465
Total Adjusted Revenues Fiscal Year Ending 12/31/91	<u>8,949,584</u>
Sum of Total Net Revenues for the Three Fiscal Years	\$30,731,546
Borrowing Base Computed in Accordance with Local Government Unit Debt Act (\$30,731,546/3)	\$10,243,848

BORROWING CAPACITY

Under the Act as presently in effect, (i) new nonelectoral debt may not be incurred if the net amount of such new nonelectoral debt plus all outstanding net nonelectoral debt would cause total net nonelectoral debt to exceed 250% of the Borrowing Base and (ii) new lease rental debt or new nonelectoral debt may not be incurred if the net amount of such new debt plus all outstanding net nonelectoral debt and net lease rental would cause the total net nonelectoral plus net lease rental debt to exceed 350% of the Borrowing Base. The application of the aforesaid percentages to the Township's Borrowing Base produces the following:

	<u>Legal Limit</u>	<u>Net Debt Outstanding</u>	<u>Borrowing Capacity Before This Issue</u>
Net Nonelectoral Debt Limit: 250% of Borrowing Base	\$25,609,622	\$2,804,600	\$22,805,022
Net Nonelectoral and Lease Rental Debt Limit: 350 % of Borrowing Base	\$35,853,470	\$2,804,600	\$33,048,870

LABOR RELATIONS

There are two unions representing employees of the Township. The Fraternal Order of Police represents police officers and has a total membership of 63. The current contract expires December 31, 1995.

The Haverford Township Employees Association represents Township employees who are non-police and non-exempt workers. The union covers 77 employees. The current contract expires December 31, 1996.

The Township has two defined benefit pension plans covering substantially all of its employees. The plans are segregated into the Police Pension Fund and the Haverford Township Employees Association Pension Fund. Pension costs, which are determined by independent actuaries, are funded as accrued. The Haverford Township Employees Association has no unfunded pension liability. The Police Pension Fund has an unfunded pension liability of \$916,863 as of January 1, 1993.

TAX MATTERS

In the opinion of Bond Counsel, under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes. The opinion set forth in the preceding sentence is subject to the condition that the Township comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The Township has covenanted to comply with all such requirements.

The Code imposes an alternative minimum tax with respect to interest on certain "private activity bonds," as defined in the Code. In the opinion of Bond Counsel, under existing law, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax applicable to individuals and corporations. The Code, however, also includes in the computation of the alternative minimum tax applicable to corporations (as defined for federal income tax purposes) a tax preference item computed with respect to the corporation's adjusted current earnings. Because adjusted current earnings of a corporation would generally include tax-exempt interest received, a corporation may be subject to an alternative minimum tax upon receipt of interest on the Bonds.

The Superfund Amendments and Reauthorization Act of 1986 (the "Superfund Act") imposes an environmental tax on corporations equal to .12% (.0012) of the excess of "modified alternative minimum taxable income" over \$2,000,000. Since modified alternative minimum taxable income is generally defined in the same manner as alternative minimum taxable income, to the extent that interest on the Bonds is included in adjusted current earnings, such interest may subject a corporation to the environmental tax.

The Bonds have been designated by the Township as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, and, therefore, in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the Code), a deduction is allowed for 80% of that portion of such financial institution's interest expense allocable to interest on the Bonds.

Prospective purchasers of the Bonds should be aware that certain federal income tax consequences may apply to certain holders of the Bonds, including the following:

(i) The Code denies a deduction for all of the interest on indebtedness incurred or continued to purchase or carry the Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

(ii) With respect to property and casualty insurance companies, the Code reduces the deduction for losses incurred by 15% of the sum of certain items, including interest on the Bonds.

(iii) Interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to the branch profits tax.

(iv) Passive investment income, including interest on the Bonds, may be subject to federal income taxation for S corporations that have Subchapter C earnings and profits at the close of the taxable year, if more than 25% of the gross receipts of such S corporations are passive investment income.

(v) The Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account receipts or accruals of interest on the Bonds in determining whether such benefits may be included in gross income.

Except as expressly stated above to be its opinion, Bond Counsel does not express any opinion as to any other federal income tax consequences of acquiring, carrying, owning or disposing of the Bonds, and the prospective purchasers of the Bonds should consult their tax advisers as to the applicability of these and any other collateral consequences of ownership of the Bonds.

No assurance can be given that amendments to the Code or other federal legislation will not be introduced and/or enacted which would cause the interest on the Bonds to be subject, directly or indirectly, to federal income taxation or adversely affect the market price of the Bonds or otherwise prevent the holders of the Bonds from realizing the full current benefit of the status of the interest thereon.

In the opinion of Bond Counsel, under existing law, interest on the Bonds is exempt from Pennsylvania personal income tax and from Pennsylvania corporate net income tax, and the Bonds are exempt from personal property taxes in Pennsylvania.

Pursuant to Act Number 68 of 1993, signed into law on December 3, 1993, profits, gains or income derived from the sale, exchange or other disposition of obligations issued on or after February 1, 1994, by Pennsylvania or its political subdivisions or any public authority created by Pennsylvania or a political subdivision, are subject to state or local taxation in Pennsylvania although interest on such obligations remains exempt.

LITIGATION

Upon delivery of the Bonds, the Township shall furnish or cause to be furnished, a certificate, in form satisfactory to Bond Counsel and the Underwriter, to the effect that, among other things, there is no litigation pending in any court to restrain or enjoin the issuance or delivery of the Bonds, or the proceedings of the Township taken in connection therewith, or the application of any monies provided for their payment, or contesting the powers of the Township with respect to the foregoing or the consummation of the transactions contemplated by this Official Statement.

LEGALITY

All matters relative to the authorization and issuance of the Bonds will be subject to the approval of Wolf, Block, Schorr and Solis-Cohen, Philadelphia, Pennsylvania, Bond Counsel. Certain other legal matters will be passed upon by Ciardi, Fishbone, DiDonato, Philadelphia, Pennsylvania, Township Solicitor.

UNDERWRITING

The Bonds are being purchased by the Underwriter at an aggregate discount of \$33,165 from the offering prices set forth on the cover page hereof. The contract of purchase for the Bonds provides that the Underwriter will purchase all of the Bonds, if any are purchased, and in accordance with its terms. The initial public offering price set forth above may be changed by the Underwriter.

EXPERTS

The financial statements of the Township included in Appendix II hereto have been audited by Asher & Company, Ltd., Certified Public Accountants, to the extent and for the periods indicated in the report appearing in Appendix II. Such financial statements have been included in this Official Statement in reliance upon the report of Asher & Company, Ltd. given upon the authority of that firm as experts in accounting and auditing.

BOND RATING

Moody's Investors Service, Inc. has assigned its municipal bond rating of "A1" to the Bonds. There is no assurance that a particular rating will be maintained for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the rating agency, circumstances so warrant. The Underwriter has undertaken no responsibility either to bring to the attention of the owners of the Bonds any proposed revision or withdrawal of the rating of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such rating could have an adverse effect on the market price of the Bonds.

DEFAULTS AND REMEDIES

In the event of failure of the Township to pay or cause to be paid the interest on or principal of the Bonds, the holders of the Bonds shall be entitled to certain remedies provided by the Act. Among the remedies, if the failure to pay shall continue for 30 days, holders of the Bonds shall have the right to recover the amount due by bringing an action in assumpsit in the Court of Common Pleas in the County in which the Township is located. The Act provides that any judgment shall have any appropriate priority upon the monies next coming into the treasury of the Township. The Act also provides that upon a default of at least 30 days, holders of at least 25 percent of the Bonds may appoint a trustee to represent them. The Act provides certain other remedies in the event of default, and further qualifies the remedies described above.

CERTAIN MATTERS

All the summaries of the provisions of the Act, the Code, the Bonds, and the Ordinance set forth above are made subject to all the detailed provisions thereof, to which reference is hereby made for further information, and do not purport to be complete statements of any or all such provisions.

All estimates and assumptions herein are believed to be reasonable, but no warranty, guaranty or other representation whatsoever is made that such estimates or assumptions are correct or will be realized. So far as any statements herein involve matters of opinion, whether or not expressly so stated, they are intended merely as such and not as representations of fact.

The Township has authorized the distribution of this Official Statement.

COMMONWEALTH OF PENNSYLVANIA

ANNUAL BUDGET REPORT

County of DELAWARE

City of XXXXXXXXXX

Borough of XXXXXXXXXX

Township of HAVERFORD

COMMONWEALTH of PENNSYLVANIA

for the year

19 95

one copy to be filed with
Department of Community Affairs
Commonwealth of Pennsylvania
Harrisburg, Pennsylvania

GENERAL INSTRUCTIONS

One of the principles of governmental accounting and financial reporting is that an annual budget should be adopted by every governmental unit. Another principle is that a common terminology should be used consistently throughout the budget, the accounts, and the financial reports of each fund. These principles are reflected in the provisions in the various municipal codes and home rule charters requiring the timely preparation and adoption of an annual budget and reporting it on a form developed by the committee authorized to prepare the form.

The committee has developed and approved this form which incorporates the two principles. This budget form covers all assets, liabilities, fund equities, revenue or income and expenditures or expenses of all budgetary funds and some funds you may not budget.

This budget form covers all types of funds that a local government may have: Governmental, Proprietary, and Fiduciary.

1. Governmental Funds include:
 - a. the General Fund,
 - b. Special Revenue Funds (e.g. special tax fund, Highway Aid Fund, and Revenue Sharing Fund),
 - c. Capital Projects Funds (e.g. General Obligation Bond Funds and Capital Reserve Funds),
 - d. Debt Service Funds (e.g. Sinking Funds), and
 - e. Special Assessment Funds.
2. Proprietary Funds include:
 - a. Enterprise Funds (e.g. Electric Fund, Gas Fund, Water Fund, and Wastewater Fund), and
 - b. Internal Service Funds.
3. Fiduciary Funds include:
 - a. Expendable Trust Funds,
 - b. Non-expendable Trust Funds,
 - c. Pension Trust Funds (e.g. Firefighters Pension Fund, Non-uniformed Employees Pension Fund, and Police Pension Fund), and
 - d. Agency Funds (e.g. Firemen's Relief Fund and Payroll Fund).

Separate columns are provided only for General, Highway Aid, and Revenue Sharing Funds. All other funds for which you must prepare a budget should be added together by type for purposes of this report, although your governing body will have adopted a budget listing each of these as a separate fund. You may not have some of these kinds of funds, or if you do, you may not need to budget some of these kinds of funds. Obviously, you only report those kinds of funds you do have and for which the governing body budgets.

We suggest that you begin your budget by preparing a Schedule W (Working Budget) or a similar form for each of your budgetary funds. To prepare Schedule W, you can make your own with plain paper, columnar paper, or an office copier, or you can have copies printed locally.

Tax totals from the Schedules W then can be transferred to Schedule C, and then totals from both these schedules can be transferred to Schedule A. All amounts may be estimated and appropriated to the nearest dollar.

Schedule A constitutes the uniform budget, which, under the terms of the various municipal codes and home rule charters, should be prepared and made available for public inspection prior to budget adoption. We would suggest that this schedule be accompanied by the Schedule W and a written description of revenue or income and expenditures or expenses be available for public inspection also.

This form also contains the appropriation ordinance, resolution, or motion by means of which the budget is finally adopted at the end of the designated public inspection period. The required tax levy ordinance or resolution is also included in this form.

Within fifteen (15) days after final adoption of the budget, one copy of it should be filed with:

SPECIFIC INSTRUCTIONS

A. HOLDING A BUDGET HEARING

1. Since the termination of Federal Revenue Sharing (FRS), there exists no legal requirement to hold a public hearing once all FRS funds have been spent. As a matter of public policy, it is strongly recommended that such a hearing be advertised and held, either on the date the tentative budget is approved to be advertised, or at any other meeting prior to final adoption.
2. Until all remaining FRS funds have been expended, the requirements for public notice and public hearing remain in effect: At least ten days prior to the budget hearing, the local government must publish, in at least one newspaper of general circulation in the local government's geographic area, a notice of the hearing. The notice must include (a) date, time and place of hearing, (b) right of citizens attending the hearing to provide written or oral or both comments or questions or both regarding the entire budget and the relationship of revenue sharing to the entire budget, (c) the local government's proposed use of its revenue sharing funds in context with the entire budget, (d) a summary of the local government's entire proposed budget, (e) location where and time when the above information with a copy of the entire proposed budget is available for public inspection. A reasonable effort must be made to have senior citizens and their groups participate in the hearings.
3. Prior to enactment of the budget, the legislative body, or the appropriate committee thereof, conducts the budget hearing.
4. Within thirty days of adoption of the budget, a summary of the adopted budget showing the intended use of revenue sharing funds must be available for public inspection and notice of its availability must be published in a newspaper of general circulation in the local government's geographical area.

B. CITIES OF THE THIRD CLASS

1. In commission cities, each department is required to submit to the council sometime before the last stated meeting in November an estimate of probable receipts and expenditures and the amount each department says it requires for the ensuing year. Mayors and city managers in optional charter cities must require department heads to submit requests not later than the month of November.
2. Budget preparation: In commission cities - assigned to the Director of Accounts and Finance; In Mayor/Council Plan A optional charter cities - to the mayor with the assistance of the administrator, if any, or other officer designated by the Mayor; and in Council/Manager optional charter cities - to the manager.
3. The budget must be submitted to the Council for first reading at the last stated meeting in November.
4. After the proposed budget has passed first reading, the city clerk makes it available for public inspection, publishes a notice to that effect in at least one newspaper of general circulation stating the date fixed by council for adoption of the proposed budget ordinance, such date being at least twenty days after publication. The proposed budget ordinance must be available for public inspection for at least ten days after this notice.
5. On or before December 31, the council must finally adopt the budget.

C. BOROUGHES

1. The budget is prepared in any manner designated by council.
2. Boroughs must prepare the budget not less than thirty days before adoption.
3. Notice that the proposed budget is available for inspection must be published by the secretary in a newspaper of general circulation, as defined by the Newspaper Advertising Act of 1929, and the proposed budget must be kept on file with and be made available for public inspection by the secretary for a period of ten days after the notice and prior to adoption.
4. On or before December 31, the council must finally adopt the budget. Upon completion of the budget, the council shall adopt the real estate tax ordinance.
