PECO to Close College Avenue Weekdays for Utility Installation in Haverford Township

King of Prussia, PA – PECO Energy is planning to close College Avenue weekdays between Coopertown Road and Darby Road in Haverford Township, Delaware County, on Friday, February 5, through Wednesday, March 24, from 9:00 AM to 3:00 PM, for gas main installation, the Pennsylvania Department of Transportation (PennDOT) announced today.

During the weekday closure, College Avenue motorists will be directed to use Darby Road, Ardmore Avenue and Haverford Road.

Motorists are advised to allow extra time when traveling near the work area because backups and delays will occur. The schedule is weather dependent.

PECO Energy will complete this project under a PennDOT Highway Occupancy Permit.

For a complete list of construction projects impacting state-owned highways in Bucks, Chester, Delaware, Montgomery and Philadelphia counties, visit www.penndot.gov/District6TrafficBulletin.

To help make decisions regarding winter travel, motorists are encouraged to "Know Before You Go" by checking conditions on more than 40,000 roadway miles, including color-coded winter conditions on 2,900 miles, by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras. Users can also see plow truck statuses and travel alerts along a specific route using the "Check My Route" tool.
